- Sections:** 3 sections: Elementary-E (K-6), Middle-M (4-9)* and High-H (9-12)
* CCO and CSCA would like to permit more middle school students to have the opportunity to compete together for their school. Because middle school in Connecticut ranges from schools that offer only grades 7 and 8 to schools that offer grades 4 through 8 and 5 through 9, middle school players will be permitted to register in accordance with either their grade or school designation. Thus, 4th, 5th, 6th and 9th graders attending middle school can compete either by grade in the Elementary or High School sections or by school designation in the Middle school section. Students attending schools with multiple grade levels, which include middle school, may register in accordance with the school's designation of which grades represent the middle school level. Players from multiple level schools which fail to designate a middle school or equivalent level will be subject to the default middle school cut off of grades 6 through 8. Elementary and lower school students are only eligible for the Elementary section, even if attending grades 4 through 6. 7th and 8th graders are only eligible for the Middle school section. Any questions about section selection can be forwarded to CSCA Tournaments Coordinator Alexander Lumelsky at alexander.lumelsky@gmail.com.
- Prizes:** Trophies to Top 10 individuals in E, Top 5 in M and Top 5 in H;
Team Trophies to Top 6 in E, Top 3 in M and Top 3 in H
(Teams of 4, 2 allowed)

Plaques to Top CT Grade Winners: K-6 in E, 6-8 in M and 9-12 in H
